

Your Soul Card is the Lovers

People with the Lovers as a soul card, are people who have the ability to care passionately about things. These people can often feel hopelessly attracted to another person, so infatuation can be a frequent experience. If they are lucky enough to find true love, it's quite likely to be "love at first sight". Be aware, your true love might not be another person. It could be a cause, or some type of work for which you feel an attraction and pursue relentlessly.

In divination, the Lovers card often indicates someone is facing a difficult choice.

With the Lovers as your soul card, in order to achieve your full potential, you must chose to care for someone or something that will give you something back.
